## RENGÖRING

Ytan rengörs med mjuk trasa och mild tvällösning. Skölj därefter med rent vatten och torka med en mjuk torr trasa. Vid kalkfläckar ska hushållsvinäger användas. För mer information besök [www.inr.se](http://www.inr.se). Vid eventuella frågor eller service kontakta ert inköpsställe.

EN

## CLEANING

Chromed surfaces should be cleaned using a soft cloth and a mild soap solution. The surface should then be flushed with clean water and dried using a soft dry cloth. Use household vinegar for removing lime scale from chromed surfaces. For more information visit our website at [www.inr.se](http://www.inr.se). For questions or service please contact your point of purchase.moturs.
